

FEATHERTOP

A LUXURY STAY AT THE
FEATHERTOP WINERY ESTATE

Leave the hustle and bustle behind, put the laptop away and discover what it actually means to "switch off" when you visit Feathertop Winery.

Take your pick of our two suites - The Mt Buffalo View two bedroom apartment is your home away from home with all the luxury and space of open plan living and a pot belly fire to relax in front of as you chill out with a glass of red, watching the weather roll over the mountain tops. In summer there's nothing better than going for a swim in the Ovens River and coming back for a BBQ on the balcony.

The Peggy Adelaide suite (named in honour of Kel Boynton's mother), offers an experience of ultimate indulgence with your private outdoor balcony bath to soak in whilst having a glass of bubbles! We recommend adding a lunch in the restaurant or a vineyard tour to make the most of it!

Price: Peggy Adelaide Suite: From \$300 per night 7 days a week. No minimum stay but a one night stay incurs a \$50 cleaning fee. Sleeps 2.

Mount Buffalo View Apartment: \$325 per night (Monday – Thursday) and \$375 per night (Friday – Sunday). Minimum 2 night stay. Sleeps up to 4.

Availability: 7 days a week
