CONGRATULATIONS

on your engagement and upcoming celebration of love.

Creating your perfect day is what we do best. With views of Mount Buffalo, plentiful vineyards and an exclusive Tuscan inspired Private Winery Estate, we want your day to be as romantic and memorable as you imagined it could be.

Operating as a Private Estate allows you and your guests to enjoy the property exclusively for the duration of your events including any pre or post wedding celebrations you may want to organise.

FEATHERTOP WEDDING INCLUSIONS

Feathertop operates as a private estate, meaning you have the place to yourself. Our staff and your guests are the only ones here. Any space is yours to explore plus any furniture and equipment is yours to use.

Get your guests to and from the venue safely with our included buses. This includes 3 stops between Bright and Myrtleford. Guests are welcome to drive if they wish as there is ample parking onsite also.

Your choice of ceremony space with 34 chairs (you choose your preferred style) and a signing table. We also include a PA system for the use of your ceremony plus fairy and festoon lighting for your reception and dance floor settings.

Unless you hire an external stylist, we set up everything and pack it down for you. Such as your table settings, stationery and bonbonnières. You can put instructions on all of the above if you would like them specifically placed or you can leave it to us and well make it look beautiful.

You also get to enjoy a 12 month Summit Cru subscription from your wedding day. You can choose to start this from when you book to try 12 months worth of wine in the lead up to your day or enjoy it for 12 months after you day.

Meet Mellyrain Creative, our in house wedding planning team. Founded by Head Planner, Stylist and Co-Creator Melanie James, Mellyrain Creative can help you source and secure your vendors, create a style concept or simply guide you along the way.
